

## GODOT SET UP

<a href="#">YouTube</a>	How to download and install Godot	3:15s
<a href="#">Godot</a>	Download and install/extract zip	3:00
Godot	Set up proper directory for project	2:00
<a href="#">Yotube</a>	How to setup github with Godot	3:05
<a href="#">GitHub</a>	Download/extract github desktop / sync github account	5:00
Godot/Github	Sync Github with Godot and first commit/push	15:00

## RESEARCH

source	explanation	time
ChatGPT	Figure out what classifies as a GUI app	8:30pm – 8:35pm 5 minutes
ChatGPT	Figure out best languages for a small web app	8:35pm – 8:47pm 22 minutes
ChatGPT	Decide what web app to make	9pm – 9:15pm 15 minutes
ChatGPT	Figuring out the logistics of web app	4:15pm – 4:26pm 11 minutes
<a href="#">Wikipedia</a>	What is Godot	1:15 am – 1:46 31 minutes
<a href="#">Godot docs</a>	Godot concepts overview (scene, nodes, etc.)	2:53am – 3:22 am 33 minutes (stopped after introduction)
<a href="#">Youtube</a>	How to make a game – used only for learning the basics	30 minutes – only watched what I needed
<a href="#">Youtube</a>	Simple video on buttons	1:30s
Godot	getting familiar – messing with tools	20 minutes

<a href="#">YouTube</a>	In detail signal guide	9 minutes
Godot	Building another project for a different class	1.5 hours – building map

ChatGPT	Where to start and what to do. Road map.	10 minutes
Godot	Begin project	5 minutes
Godot	Learn the differences between different list types	15 minutes
<a href="#">Youtube</a>	Labels – text	5 minutes
<a href="#">Youtube</a>	Containers – used to organize buttons	11 minutes
<a href="#">YouTube</a>	Godot Control Node overall video – very useful demo at end	26 minutes
Godot	Developing	4 hours

ChatGPT	Fixing my ordering of my containers	1 hour
ChatGPT	Researching coupling issues	20 minutes
<a href="#">Godot doc</a>	Accept Dialog popup window	5 minutes
<a href="#">Godot doc</a>	Confirmation Dialog pop up	5 minutes
Godot	Added the popups to my app	20 minutes
<a href="#">YouTube</a>	GDScript tutorial	1 hour
<a href="#">YouTube</a>	Dictionaries tutorial	10 minutes
Godot	Adding scripts to connect everything	4 hours
<a href="#">YouTube</a>	Rng tutorial	2.5 minutes
Godot	Implement Decide script	2 hours
ChatGPT	Help me visualize and brainstorm ideas for the stretch goal	15 minutes
Godot	Implement weight stretch	45 minutes
Godot	Polishing user experience	1.5 hours
